WHITewater RAFTING

Hold onto that paddle and get ready to be exhilarated! Put on your helmet, wet suit and sense of adventure as you jump feet first into this exciting day. Clear Creek Canyon offers some of the most intense and exciting whitewater rafting in Colorado. The water levels in Clear Creek are not dam controlled and fluctuate according to the weather conditions and spring runoff levels. Their class III and IV rapids are demanding and will give you a thrill!

ROYAL GORGE SKYCOASTER

The Royal Gorge Bridge and Park is more than just your average park. It's an intricate part of Colorado's history. While bridge construction was completed in 1929, the Gorge itself is millions of years in the making. No act of nature or mankind can stop the fun and excitement from the title of the World's Scariest Skycoaster for nothing!

Think you can brave it?

EXOTIC SUPERCAR DRIVING EXPERIENCE

Got a need for speed? Exotic Supercar Driving Experience offers Colorado's first of its kind 100% Canyon/Mountain Supercar Rally tours. Instructors and staff photographers will guide the tour in a lead vehicle as the entire group of supercars follows behind! Guests will experience some of the most exhilarating roads in North America while test driving a \$200k-\$300k supercar. This bucket list worthy adventure will be cherished and remembered for a lifetime.

PARTS PLUS MOTORSPORTS HOSPITALITY EVENT

Now, do you really have a need for speed? Grab your earplugs and your speed demon to experience the up close and personal Parts Plus Motorsports top fuel dragster driven by Clay Millican. Unlike other motorsports events, a ticket to an NHRA event is a pitt pass. With the Parts Plus hospitality event, you are basically in the middle of the action — 10 feet away from watching the crew tear down and rebuild a 10,000-HP motor in less than an hour!
